June 30 deadline for dial-in and VPN user 'SecurID token'

Marshall team members using Virtual Private Network software to connect to the Marshall Private Network, or who dial directly into the network from home or TDY, must apply for an RSA SecurID token by June 30. By Aug. 1, all remote users must have an activated SecurID token. If you require an ODIN loaner laptop for travel and have not dialed in or used VPN before, then you must apply for a token before your trip. Please allow a few days to get your token. For more information, including frequently asked questions, go to <http://co.msfc.nasa.gov/ad03/token.html>.

American Red Cross blood drive at Marshall is Friday

The American Red Cross will hold a blood drive from 8 a.m.-1:30 p.m. Friday in the Center Activities Bldg. 4316.
